

## NAMAZ ON FRIDAY NIGHT & THE NIGHTS BEFOR EID AL ADHA FOR FULFILLMENT OF NEEDS

Sayyid Ibn Tawus, may Allah have mercy upon him, has reported the following: At Friday nights and the night before the 'Id al-Adha Day (i.e. the tenth of Dhu'l-Hijjah), you may offer a two-unit prayer. In each unit, recite Surah al-Faatehah, but when you reach the following verse, you should repeated it one hundred times:

إِيَّاكَ نَعْبُدُ وَإِيَّاكَ نَسْتَعِينُ-

You may then recite the next verses of Surah al-Faatehah and then recite Surah al-Tawheed two hundred times. Upon accomplishment of the prayer, you may repeat the following statement seventy times:

لَا حَوْلَ وَلَا قُوَّةَ إِلَّا بِاللَّهِ الْعَلِيِّ الْعَظِيمِ-

You may then prostrate and repeat the following word of supplication two hundred times:

يَا رَبِّ-

Then, you may pray Almighty Allah for whatever you want, and all your requests will be granted, Allah willing.
